RE: DEMOLITION OF VACANT PARCELS
UNIVERSITY SITE "C" PROJECT AREA

Dear Mr. Schwartz:

At our last meeting with the Business Administrator Glenn A. Grant, you indicated that the following properties would be scheduled for demolition:

224 Warren Street
208 Norfolk Street

These properties are both eye sores and 208 Norfolk Street threatens the health and safety of the surrounding occupants.

Please advise me of the scheduled demolition date.

Sincerely,

Johnny A. Jones, Director
Division of Property
